The following *Childminding Intake Form* was developed in 2022 by Common Boots Theatre and Two Birds Theatre as part of their Balancing Act Level UP! Pilot Project. The form was created as a Google Form to invite families to sign up for free childminding/children's arts workshop during performances of *Apocalypse Play.* The form was shared as part of marketing for the play to encourage people to register in advance.

Please credit Common Boots Theatre, Two Birds Theatre, and Balancing Act if you use, cite, or share information from this resource.

If you have any questions or would like to discuss these materials, please contact Balancing Act at balancingact@theatredirect.ca.
