Folk On The Rocks created the following Artist-Caregiver Needs Assessment while developing their Level UP! Pilot Project thanks to the generous support of Balancing Act and Women in Music Canada.

Folk On The Rocks

Artist-Caregiver Needs Assessment

For artists with children, Folk On The Rocks (FOTR) has a few family-friendly areas across the Festival site to help support caregivers, families and children in having the best festival experience possible. These places include:

- A Children's Area which includes a stage with family-friendly programming, a bouncy castle, crafts and activities, a change station and a breastfeeding hut.
- A Caregiver Tent close to the Main Stage (opposite side of site to the Children's Area), which offers shade, a change area, comfortable seating, and change supplies.
- An all-ages Hospitality Area until 11 pm each night, which provides healthy catering and access to refreshments.
    - After 11 pm, the Hospitality Area becomes a 19+ space in accordance with territorial liquor regulations.
- A "chill zone" in the Hospitality Area, which is free from alcohol and smoke.
- All-ages green rooms.

In addition to these spaces, Folk On The Rocks would like to learn more about how FOTR can best support you during your time at the festival. Please fill out the following questionnaire:
