[Your Company] – Song Camp [YEAR] Registration

[Put in your details here.]

Our goal is to give our songwriters and a few special guests a chance to come together in person and collaborate away from their other responsibilities and distractions, such as caregiving and parenting.

With our creative sync team guiding the process, this will function as both a health and wellness retreat in nature, designed to support improved mental health, and a creative incubator focused on musical collaboration and exploration.

If you're interested in participating, we ask that you fill out this questionnaire by [Date, Month].
